STAFF REPORT

Subject: Ratification of Unpaid Leave Extension

Initiated by: John Helm, Executive Director

BACKGROUND:

Section 10.4.E of ESTA's Personnel Rules describes the procedures for approval of unpaid leave in excess of thirty days.

ANALYSIS/DISCUSSION:

A full-time driver for ESTA in Mammoth Lakes requested an extension of the leave that he had taken to recover from knee surgery. The driver had been on Family and Medical Care (FMLA) leave but had exhausted the 12 weeks allowed under that program. He had requested an extension of his leave to run until February 26, 2018. The request was submitted after the agenda for the January ESTA Board meeting had been finalized. The Executive Director conditionally approved the unpaid leave request, based upon subsequent Board approval of the request at the next Board meeting in compliance with Section 10.4.E.2 of the Personnel Rules, which is listed below.

Upon the approval of the Executive Director, the request shall be submitted to the Board of Directors for consideration at the next regularly scheduled Board meeting. The Board of Directors may approve the request, approve the request upon the imposition of conditions the Board deems appropriate, including but not limited to, a reduction in the period of time requested, or deny the request.

The driver returned to work the week of February 26th and is working a full-time schedule.

FINANCIAL CONSIDERATIONS

Ratification of the request for extension of unpaid leave for the Mammoth driver will have no financial impact on the Authority and may result in cost savings in terms of not having to incur recruitment costs to replace the position.

RECOMMENDATION

The Board is requested ratify the approval of the request for an extension of unpaid for the Mammoth Lakes location driver.

STAFF REPORT

Subject: Lease Agreement Renewal – Office at Bishop Airport

Initiated by: John Helm, Executive Director

BACKGROUND:

In 2011, ESTA entered into a lease agreement with Inyo County for office space at the Bishop Airport. The initial term of the agreement expired in June 2016 and, in accordance with Section 5 of the agreement, ESTA's continued tenancy has been on a month-to-month basis under the same terms and conditions. The monthly rent has not increased since 2011.

ANALYSIS/DISCUSSION:

In December of last year, the Inyo County Board of Supervisors ratified and approved a new lease agreement for the provision of office space for ESTA at the Bishop Airport. The agreement is to replace the previous lease agreement, which had expired in 2016. The lease agreement includes a 10.4% increase in the monthly rent amount, from \$1,250 to \$1,380. All other material terms and conditions remain unchanged from the lease agreement first entered into in 2011. The proposed lease agreement is included on the following pages for the Board's information

ESTA plans to construct its own operating and administration facility at the Bishop airport on property adjacent to the bus parking area when funds are available for the project. ESTA has been actively pursuing grant funding for the project, most recently a grant application under the FTA Section 5339 program that was submitted last summer. The outcome of that grant application has not been announced. It's anticipated that ESTA will have a need for the office space at the Bishop airport through at least November 2019, which is the expiration of the initial term of the lease agreement. The lease can be terminated at any time upon 60-days' notice in the event that ESTA is able to complete the office and administration facility prior to the expiration of the lease.

FINANCIAL CONSIDERATIONS

Approval of the lease agreement for office space at the Bishop Airport will add \$910.00 in additional rent expense for office space this fiscal year and will add \$1,560.00 next fiscal year over the amount currently budgeted for

FY 2017/18. Sufficient funds exist this fiscal year in either the budgeted contingency line item, or in fuel expense savings to pay for this cost increase.

RECOMMENDATION

The Board is requested to ratify and approve the lease agreement with Inyo County for office space at the Bishop Airport at a rent amount of \$1,380 per month for the first two years.

**COUNTY OF INYO - BISHOP AIRPORT
OFFICE AND COMMERCIAL SPACE LEASE**

THIS LEASE AGREEMENT, made and entered into this _____ day of _____, by and between **Eastern Sierra Transit Authority, JPA**, hereinafter referred to as "Lessee," and the County of Inyo, a political subdivision of the State of California, hereinafter referred to as "County," whereby the parties hereto agree as follows:

WITNESSETH:

SECTION ONE. ADMINISTRATION.

This Lease Agreement, hereinafter referred to as "Lease," shall be administered on behalf of the County by Shannon Williams, whose title is Deputy Public Works Director, hereinafter referred to as "County's Lease Administrator" and on behalf of Lessee by Lessee's Executive Director.

SECTION TWO. LEASED PREMISES.

County hereby leases to Lessee the real property (hereinafter referred to as "Leased Premises") located at the Bishop Airport (hereinafter referred to as "Airport"), County of Inyo, State of California, and described more particularly as: Approximately one thousand, one hundred and sixty-seven (1,167) square feet of office space and ten (1) "U's" of rack space in the terminal building as shown on Exhibit "A" attached hereto.

SECTION THREE. INITIAL TERM AND OPTIONS.

The initial term of the Lease will be for Two (2) years beginning December 1, 2017, and continuing through and including November 30, 2019. In addition to the initial term, there will be four (4) options to extend the Lease for additional one (1) year periods as follows:

- a. From December 1, 2019 through November 30, 2020.
- b. From December 1, 2020 through November 30, 2021.
- c. From December 1, 2021 through November 30, 2022.
- d. From December 1, 2022 through November 30, 2023.

The options to extend may be exercised in the manner and under the conditions hereinafter provided.

SECTION FOUR. EXERCISING OPTIONS TO EXTEND TERM.

The four (4) options to extend the term of the Lease for one (1) year periods identified in Section Three above, may be exercised by Lessee in the manner and on the terms and conditions below:

- a. Terms and Conditions.
- (1) Neither Lessee nor County has terminated this Lease, or any extensions thereof, for any reason.
 - (2) Lessee is not in default under any term or condition of the Lease, or any extension thereof.
 - (3) Lessee has exercised all previous options to extend.
- b. Manner In Which Option Can Be Exercised.
- (1) Lessee may exercise the option to extend no earlier than six (6) months before the expiration of the Lease term, or any extension thereof.
 - (2) Lessee must notify County in writing of the intent to exercise an option to extend at least thirty (30) days before the expiration of the Lease term, or an extension thereof.
 - (3) Except as provided for in Section Six relating to the rent, the Option to Extend shall be upon the same terms and conditions as stated in this Lease.

SECTION FIVE. HOLDING OVER.

If Lessee remains in possession of the Leased Premises with the consent of County, either expressed or implied, after the expiration of the Lease term, Lessee's tenancy shall be deemed to be a tenancy from month to month at the same rental rate applicable for the final month of the Lease term and otherwise shall be upon the same terms and conditions as are set forth in the Lease, provided that such tenancy shall be terminable and may be terminated upon at least thirty (30) days prior written notice of such termination served by either Lessee or County on the other party in the manner prescribed by law.

SECTION SIX. LEASE PAYMENTS.

Lessee will pay to County an annual Lease payment of Sixteen Thousand Five Hundred and Sixty Dollars (\$16,560.00). Lessee agrees to pay County said amount in monthly installments of One Thousand Three Hundred and Eighty Dollars (\$1380.00) per month, beginning on December 1, 2017, and payable on the first of each month thereafter during the term of this lease, or any extension thereof plus the following utilities: Electrical, propane, cleaning fees, trash pickup and supplies, and a \$50.00 payment for sign space, payment for which will be billed in arrears. If Lease payment is received more than ten (10) days after the date upon which it is due, a late payment equal to 5% of the lease payment shall be imposed.

In the event the Lessee exercises its option to extend the Lease for any or all of the four one-year periods, the rent for such option period may increase as agreed upon between County and Lessee, but such increase shall not exceed two and a half percent (2.5%) of the rent for the previous lease period. In the event County and Lessee do not agree upon a rental amount, the rent shall increase by the aforementioned percentage.

If the Lease or any extension thereof is terminated before the expiration of the complete term, the annual lease payment due will be prorated for the actual term of the Lease, or any extension thereof. If the Lessee holds over after the expiration of the Lease term, or any extension thereof, Lessee will pay County monthly rent at the rate of one-tenth (0.10) of the annual lease payment, for each month, or part thereof, in which Lessee holds over. Such monthly rent shall be

due on the first day of each month during which Lessee holds over.

SECTION SEVEN. USE OF PREMISES.

The premises are leased to be used for Administrative offices of the Eastern Sierra Transit Authority. Lessee agrees to restrict its use to such purposes, and not to use or permit the use of the premises for any other purpose without first obtaining the consent in writing of County.

SECTION 8. MASTER LEASE.

The property herein leased by County to Lessee is the subject of a master lease between County and the Department of Water and Power of the City of Los Angeles, Numbered BL 120, and by this reference incorporated into this Lease. This Lease by the County of Inyo is subject to all of the terms and conditions imposed upon County by said master lease, and Lessee hereunder hereby agrees to abide by all of the terms of said master lease.

SECTION NINE. DELIVERY OF POSSESSION.

Delivery of possession shall be deemed completed as of the date of execution of this instrument. Lessee represents and warrants that Lessee has examined the Leased Premises, including all buildings and improvements thereon and that as of the effective date of the lease, they are all in good order, repair, and in safe and clean condition.

SECTION TEN. QUIET POSSESSION.

The County covenants and agrees that Lessee, upon payment of the annual Lease payment and compliance with all the terms and conditions of this Lease, may lawfully, peacefully, and quietly have, hold, use, occupy, and enjoy the leased premises and each part thereof during the term of this Lease and any extensions thereof without hindrance or interruption by County.

SECTION ELEVEN. PARKING.

Lessee shall have reasonable non-exclusive use of the Airport parking area in common with other tenants, occupants, and users of the Airport, together with the right of reasonable ingress and egress to the Airport parking area.

SECTION TWELVE. HOURS OF USE.

Lessee shall have access to the leased premises at any time on a twenty-four hour per day, seven-day per week basis.

SECTION THIRTEEN. UTILITIES.

Lessee shall provide and pay for such electricity, lighting, heating, ventilation and all other utilities as are necessary for the reasonable use and enjoyment of the leased premises by the Lessee except as provided below. All charges for other utilities used by Lessee in connection with the occupancy of the leased premises, (including deposits, connection fees or charges, meter rentals as required by the supplier of any such utility service, and the cost of the facilities for connecting the leased premises to such utility service facilities) shall be paid by Lessee. County shall provide electrical service to those leased premises which cannot be separately metered for service.

SECTION FOURTEEN. JANITORIAL SERVICES.

Lessee shall furnish at its sole expense janitorial services which may be required on its

leased premises. Such services shall be provided at the level necessary to maintain the leased premises in a clean and orderly condition.

SECTION FIFTEEN. REPAIRS AND MAINTENANCE.

Lessee will maintain the leased premises and keep them in good repair at Lessee's own expense except that County shall maintain and repair the following portions of the leased premises: Exterior walls, roof, plumbing, heating, and ventilating. Lessee shall be responsible to maintain and repair all other portions of the leased premises not maintained by the County, including but not limited to the following: floors, interior walls, ceiling, windows, and doors, which will be maintained in a similar condition as exists at the effective date of this Lease, excepting reasonable wear and tear or damage that may be caused by "Acts of God". The County shall not be responsible for the maintenance and/or repair of any structure or improvement placed on the leased premises by the Lessee, in which case Lessee shall be solely responsible for the maintenance and/or repair of those structures and improvements.

When the County notifies Lessee that facilities within Lessee's area of responsibility are in need of repairs, Lessee will make such repairs within thirty (30) days of receiving the notification. If the nature of the repairs are such that they must be performed immediately in order to provide for the immediate safety of the public or airport users, Lessee will perform such emergency repairs immediately. If Lessee is unable to perform such emergency repairs immediately, the County reserves the right to make such repairs itself, or hire a contractor to make such repairs, at Lessee's expense.

SECTION SIXTEEN. ENTRY FOR INSPECTION AND MAINTENANCE.

County reserves the right to enter the leased premises at reasonable times, with twenty-four (24) hour prior notification to the Lessee, to inspect, to perform required maintenance and repair, or to make additions or alterations to any part of the premises. County also reserves the right to enter the leased premises at any time without prior notice to the Lessee in the event that an emergency reasonably requires the County to do so. Lessee agrees to permit County to do so. County may, during such time as is reasonably necessary to either respond to an emergency or to make such alterations, additions, or repairs, erect scaffolding, fences, and similar structures, post relevant notices, and place movable equipment without any obligation to reduce Lessee's rent for the demised premises during such period, and without incurring liability to Lessee for disturbance of quiet enjoyment of the premises, or loss of occupation thereof.

SECTION SEVENTEEN. ALTERATIONS AND IMPROVEMENTS.

Lessee shall make no alterations or improvements in or on the Leased Premises without the prior written consent of County. All alterations and improvements made by Lessee, other than removable personal property, shall remain on the Leased Premises and be deemed to be property of County upon the expiration or sooner termination of the Lease, unless otherwise agreed in writing by Lessee and County. Any damage occasioned by the installation or removal of Lessee's personal property shall be repaired by Lessee.

SECTION EIGHTEEN. SIGNS.

Lessee may erect signs necessary to identify Lessee's occupancy of the leased premises during the term hereunder. Lessee shall not place the proposed signs on the leased premises until County has reviewed the proposed design and given its consent to the proposed signs. County shall not unreasonably withhold said consent. Signs shall be removed by Lessee at the termination of this Lease.

SECTION NINETEEN. WASTE.

Lessee shall give prompt notice to County of any damages to the leased premises and shall not commit, or suffer to be committed, any waste or injury, or allow any public or private nuisance on the leased premises.

SECTION TWENTY. FIRE INSURANCE.

County will procure and maintain fire and extended coverage insurance on all buildings on the leased premises. Such insurance will be solely for the County's benefit. Lessee will have no right, title, or interest in such policy or in payments made to County under such policy.

SECTION TWENTY-ONE. DAMAGE OR DESTRUCTION.

In the event that the leased premises shall be totally or partially damaged by an event which is covered by the insurance policy described in Section Twenty during the term of this Lease or extension thereof, other than through the fault or neglect of Lessee, repairs shall be made by County at County's sole expense, with all reasonable dispatch. In the event that damage by such event, other than through the fault or negligence of Lessee, amounts to substantial destruction of the leased premises which cannot be repaired in three (3) months, this Lease may be terminated by either party at its option by giving written notice of intention to the other party within thirty (30) days following said destruction. If this Lease is not so terminated, Lessee shall be entitled to a pro rata reduction in the annual Lease payment to be jointly agreed upon by County and Lessee. If the leased premises are damaged or destroyed through the sole fault or negligence of Lessee or its employees, agents, invitees, or sublessees, this Lease may not be terminated by Lessee, and it shall be the obligation of Lessee, at its sole expense, to reconstruct or repair said leased premises.

SECTION TWENTY-TWO. COMMERCIAL INSURANCE REQUIREMENTS.

For the duration of this lease, Lessee shall procure and maintain insurance of the scope and amount specified in Attachment A and with the provisions specified in that attachment.

Lessee will indemnify, hold harmless and defend County, its agents and employees, and its Lessor, the City of Los Angeles, its agents and employees, from and against any and all actions, claims, damages, disabilities or expenses including, without limitation, attorneys' fees, witness costs and court costs that may be asserted by any person or entity, including Lessee, arising out of or in connection with any of the following circumstances:

23.1.1 Use of Premises. Use of premises or Airport in any manner by Lessee, its agents, employees, invitees, subtenants, licensees and contractors, and the agents, employees, patrons, contractors and invitees of Lessees and subtenants, including any use of the premises or the Airport not allowed under this Lease.

23.1.2 Breach by Lessee. Any breach by Lessee of the terms, covenants or conditions herein contained.

23.1.3 Other Activities. Any other activities, including the direct or indirect release or spill of any legally designated hazardous material or waste on the leased premises, of Lessee, its agents, employees, invitees, and subtenants whether or not there is concurrent negligence on the part of the County, but excluding liability due to the sole active negligence or sole willful misconduct of the County. This indemnification obligation is not limited in any way by any limitation on the amount or type of damages or compensation payable by or for Lessee or its agents under workers' compensation acts, disability benefit acts or other employee benefit acts.

23.1.4. Exculpation of County. County, its officers, agents, and employees shall not be liable to Lessee for any loss or damage to Lessee or Lessee's property from any cause. Lessee expressly waives all claims against County, its officers, agents and employees, for injury or damage to person or property arising for any reason regardless of whether or not there is concurrent passive or active negligence of County, its officers, agents, and employees, unless such injury or damage is caused due to the sole active negligence or willful misconduct of County, its officers, agents, and employees.

SECTION TWENTY-FOUR. COMPLIANCE WITH LAW.

Lessee shall, at its sole cost, comply with all requirements of all County, State and Federal ordinances, laws, rules, and regulations now in force, or which may hereafter be in force, pertaining to the use of leased premises, and shall faithfully observe and obey all County, State and Federal ordinances, laws, rules, and regulations now in force, or which hereafter may be in force. If Lessee's failure to obey and comply with any of these rules, laws, ordinances, or regulations results in any assessment of fines, penalty, or damages against the County, Lessee will pay such civil penalty, fines or assessments and any costs the County incurs in defending or adjudicating such violations.

SECTION TWENTY-FIVE. TAXES, ASSESSMENTS, AND FEES.

In accordance with Revenue and Taxation Code section 107.6, Lessee is hereby advised that this lease may create a possessory interest subject to property taxation and that, if such an interest is created, Lessee is solely responsible for the payment of all property taxes levied on that interest. In addition, Lessee shall timely pay all taxes and assessments of whatever character that may be levied or charged upon the leasehold estate in the Leased Premises, or upon Lessee's operations thereon. Lessee shall also pay all license or permit fees that may be necessary, or which may be required by law, for the conduct of its operations at the Leased Premises.

SECTION TWENTY-SIX. GRANT AGREEMENT ASSURANCES.

The following assurances required by the Federal Government as a condition of the Grant Agreement for the Bishop Airport are hereby incorporated into, and made a condition of, this Lease:

a. The Lessee, for himself, his heirs, personal representatives, successors in interest, and assigns, as a part of the consideration hereof, does hereby covenant and agree as a covenant running with the land that in the event facilities are constructed, maintained, or otherwise operated on the said property described in this Lease for a purpose for which a DOT program or activity is extended or for another purpose involving the provision of similar services or benefits, the Lessee shall maintain and operate such facilities and services in compliance with all requirements imposed pursuant to Title 49, Code of Federal Regulations, DOT, Subtitle A, Office of the Secretary, Part 21, Nondiscrimination in Federally-Assisted Programs of the Department of Transportation-Effectuation of Title VI of the Civil Rights Act of 1964, and as said Regulations may be amended.

(1) No person on the grounds of race, color, or national origin shall be excluded from participation in, denied the benefits of, or be otherwise subjected to discrimination in the use of said facilities;

(2) That in the construction of any improvements on, over, or under such land and the furnishing of services thereon, no person on the grounds of race, color, or national origin shall be excluded from participation in, denied the benefits of, or otherwise be subject to discrimination;

c. In the event of a breach of any of the above nondiscrimination covenants, County shall have the right to terminate the Lease, and to re-enter and repossess said land and the facilities thereon, and hold the same as if said Lease had never been made or issued. This provision does not become effective until the procedures of 49 CFR Part 21 are followed and completed, including expiration of appeal rights.

d. Lessee shall furnish its accommodations and/or services on a fair, equal, and not unjustly discriminatory basis to all users thereof, and it shall charge fair, reasonable, and not unjustly discriminatory prices for each unit or services; provided that Lessee may be allowed to make reasonable and nondiscriminatory discounts, rebates, or other similar type of price reductions to volume purchasers.

e. Non-compliance with provisions of paragraph "d." above shall constitute a material breach hereof, and in the event of such non-compliance, the County shall have the right to terminate this Lease and the estate hereby created without liability therefore, or at the election of the County or the United States either or both said Governments shall have the right to judicially enforce those provisions.

f. Lessee agrees that it shall insert the above five provisions (paragraphs "a.", "b.", "c.", "d.", and "e.") in any lease, agreement, contract, or similar instrument, by which said Lessee grants a right or privilege to any person, firm, or corporation to render accommodations and/or services to the public on the premises herein leased.

g. Lessee assures that it will undertake an affirmative action program as required by 14 CFR Part 152, Subpart E, to insure that no person shall on the grounds of race, creed, color, national origin, or sex be excluded from participating in any employment activities covered in 14 CFR Part 152, Subpart E. Lessee assures that no person shall be excluded on these grounds from participating in or receiving the services or benefits of any program or activity covered by this subpart. Lessee assures that no person shall be excluded on these grounds from participating in or receiving the services or benefits of any program or activity covered by this subpart. Lessee assures that it will require that its covered sub-organizations provide assurances to Lessee that they similarly will undertake affirmative action programs and that they will require assurances from their sub-organizations, as required by 14 CFR 152, Subpart E, to the same effect.

h. County reserves the right to further develop or improve the landing area of the airport as it sees fit, regardless of the desires or view of Lessee, and without interference or hindrance.

i. County reserves the right to maintain and keep in repair all publicly owned facilities of the airport, together with the right to direct and control all activities of Lessee in this regard.

j. This Lease shall be subordinate to the provisions and requirements of any existing or future agreement between County and the United States relative to the development, operation, or maintenance of the airport.

k. There is hereby reserved to County, its successors and assigns, for the use and benefit of the public, a right of flight for the passage of aircraft in the airspace above the surface of the premises herein Leased. This public right of flight shall include the right to cause in said airspace any landing at, taking off from, or operation on the Airport.

l. Lessee agrees to comply with the notification and review requirements covered in Part 77 of the Federal Aviation Regulations in the event future construction of a building is planned for the Leased premises, or in the event of any planned modification or alteration of any present or future building or structure situated on the Leased premises.

m. Lessee, by accepting this Lease, expressly agrees for itself, its successors and assigns, that it will not erect or permit the erection of any structure or object, or permit the growth of any tree on the land leased hereunder, above the height set forth in Part 77 of Federal Aviation Regulations. In the event the aforesaid covenants are breached, County reserves the right to enter upon the land leased hereunder and to remove the offending structure or object or cut the offending tree, all of which shall be at the expense of Lessee.

n. Lessee, by accepting this Lease, agrees for itself, its successors and assigns, that it will not make use of the leased premises in any manner which might interfere with the landing and taking off of aircraft from the Airport, or otherwise constitute a hazard. In the event the aforesaid covenant is breached, County reserves the right to enter upon the premises hereby leased and cause the abatement of such interference at the expense of Lessee.

o. It is understood and agreed that nothing herein contained shall be construed to grant or authorize the granting of an exclusive right within the meaning of Section 308a of the Federal Aviation Act of 1958 (49 U.S.C. 1349a).

SECTION TWENTY-SEVEN. MODIFICATION.

The terms and conditions of the Lease and any extension thereof may be modified, changed, or amended at any time only by the mutual written consent of Lessee and County. However, County may, upon 30 days notice to Lessee, amend this Lease as a result of any modification or change in the Master Lease referenced in Section Eight herein, so long as such amendment is limited to an incorporation of the changes and/or modification to the Master Lease. The amended Lease shall take effect 30 days after Lessee is served with the amended Lease.

SECTION TWENTY-EIGHT. TERMINATION.

This Lease may be canceled and terminated by either party, without penalty, for any reason, at any time after execution of this Lease. Such cancellation and termination shall be effective on the sixtieth (60th) day after one party gives to the other written notice of termination. However, the giving of such notice shall not release either the County or the Lessee from full and faithful performance of all covenants of this Lease during the period between the giving of notice and the effective date of cancellation and termination.

SECTION TWENTY-NINE. RETURN OF PROPERTY AT TERMINATION.

Lessee will return the property in good condition upon termination or expiration of the Lease.

SECTION THIRTY. ASSIGNMENT AND SUBLEASE.

Lessee agrees not to assign this Lease or sublet the leased premises in part, or encumber its leasehold estate, or any interest therein, or permit the same to be occupied by another, either voluntarily or by operation of law, without first obtaining the written consent of County, which consent shall not be unreasonably withheld. Any such assignment or sublease shall not release Lessee from liability hereunder, and any assignee or sublessee shall expressly assume all Lessee's obligations hereunder. It is also agreed that the giving of a written consent required herein on any one or more occasions shall not thereafter operate as a waiver of the requirement for written consent on any one or more subsequent occasions.

SECTION THIRTY-ONE. SUBORDINATION.

Lessee agrees that this Lease shall be subject and subordinate to any mortgage, trust deed, or like encumbrance heretofore or hereafter placed upon the leased premises by County, or its successors in interest, to secure the payment of monies loaned, interest thereon, and other obligations. Lessee agrees to execute and deliver, upon demand of County, any and all instruments desired by County subordinating in the manner requested by County this Lease to such mortgage, trust deed, or like encumbrance.

Notwithstanding such subordination, Lessee's right to quiet possession of the leased premises shall not be disturbed if Lessee is not in default and so long as Lessee shall pay the rent and observe and perform all of the provisions in this Lease, unless this Lease is otherwise terminated pursuant to its terms.

SECTION THIRTY-TWO. MECHANIC'S LIEN.

Lessee agrees to keep the leased premises free from all mechanics' liens or other liens of like nature arising because of work done or materials furnished upon the leased premises at the instance of, or on behalf of Lessee, provided however that Lessee can contest such lien provided it post an adequate bond therefore.

SECTION THIRTY-THREE. FORCE MAJEURE.

If either party hereto shall be delayed or prevented from their performance of any act required hereunder by acts of God, restrictive governmental laws or regulations, strikes, civil disorders, or other causes not involving the fault, and beyond the control, of the party obligated (financial inability excepted), performance of such act shall be waived for the period of the delay. However, nothing in this clause shall excuse the Lessee from the payment of any rental or other charge required of Lessee, except as may be expressly provided elsewhere in this Lease.

SECTION THIRTY-FOUR. WAIVER.

It is agreed that any waiver by Lessee of any breach of any one or more of the covenants, conditions, or terms of this Lease shall not be construed to be a waiver of any subsequent breach of the same or different provision of the Lease; nor shall any failure on the part of the Lessee to require exact, full, complete, and explicit compliance with any of the covenants or conditions of this Lease be construed as in any manner changing the terms hereof, nor shall the terms of this Lease

be changed or altered in any way whatsoever other than by written amendment, signed by both parties.

SECTION THIRTY-FIVE. DEFAULT.

In the event that Lessee or County shall default in any term or condition of this Lease, and shall fail to cure such default within thirty (30) days following service upon the defaulting party of a written notice of such default specifying the default or defaults complained of, or if the default cannot reasonably be cured within thirty (30) days, the defaulting party fails to commence curing the default within thirty (30) days and thereafter to diligently and in good faith continue to cure the default, the complaining party may forthwith terminate this Lease by serving the defaulting party written notice of such termination.

SECTION THIRTY-SIX. INUREMENT.

The Lease shall be binding upon and inure to the benefit of the parties hereto and their respective heirs, executors, administrators, legal representatives, successors, and assigns.

SECTION THIRTY-SEVEN. SEVERABILITY.

If any provision of this Lease or the application thereof to any person or circumstances shall, to any extent, be invalid or unenforceable, the remainder of this Lease, or the application of such provisions to person or circumstances other than those as to which it is invalid or unenforceable, shall not be affected thereby, and each provision of this Lease shall be valid and be enforced to the fullest extent permitted by law.

SECTION THIRTY-EIGHT. TIME IS OF ESSENCE.

Time is expressly declared to be of the essence in this Lease and in all of the covenants and conditions herein.

SECTION THIRTY-NINE. ADDITIONAL TERMS AND CONDITIONS.

Additional terms and conditions of the Lease, if any, are set forth in the exhibits listed below, each of which is attached hereto and incorporated herein by this reference: Exhibit A, Exhibit B, Exhibit C, and Exhibit D.

SECTION FORTY. AMENDMENT.

The Lease may be amended only by a written document signed by all parties hereto.

SECTION FORTY-ONE. ENTIRE AGREEMENT.

The Lease contains the entire agreement between the parties hereto and supersedes all previous agreements between the parties with respect to the subject matter of the Lease.

SECTION FORTY-TWO. CONSTRUCTION OF AGREEMENT.

Both County and Lessee have had the opportunity to and have participated in the drafting and final preparation of this Lease agreement. For that reason, the Lease itself, or any ambiguity contain therein, shall not be construed against either the County or Lessee as the drafters of this document.

SECTION FORTY-THREE. NOTICE.

Any notice required by the Lease or applicable law to be given or served on Lessee or County may be given or served either by personal delivery to the County Lease Administrator or any one of the Lessees, by personal delivery to, or by depositing the notice in the United States Mail, postage prepaid, to the address of each party as given below:

Coverage shall be at least as broad as:

1. **Commercial General Liability (CGL):** Insurance Services Office Form CG 00 01 covering CGL on an "occurrence" basis, including property damage, bodily injury and personal injury with limits no less than **\$2,000,000** per occurrence. 4. **Property insurance** against all risks of loss to any tenant improvements or betterments, at full replacement cost with no coinsurance penalty provision.

If the Lessee maintains higher limits than the minimums shown above, the Entity requires and shall be entitled to coverage for the higher limits maintained.

The policies are to contain, or be endorsed to contain, the following provisions:

1. For General Liability, the Entity, its officers, officials, employees, and volunteers are to be **covered as additional insureds** with respect to liability arising out of ownership, maintenance, or use of that part of the premises leased to the lessee.
2. The Lessee's insurance coverage shall be **primary insurance** as respects the Entity, its officers, officials, employees and volunteers. Any insurance or self-insurance maintained by the Entity, its officers, officials, employees, or volunteers shall be excess of the Lessee's insurance and shall not contribute with it.

Lessee shall furnish the Entity with original certificates and amendatory endorsements or copies of the applicable policy language providing the insurance coverage required above. All certificates and endorsements are to be received and approved by the Entity before work commences. However, failure to obtain the required documents prior to the work beginning shall not waive the Lessee's obligation to provide them. The Entity reserves the right to require complete, certified copies of all required insurance policies, including endorsements, required by these specifications, at any time.

F. Waiver of Subrogation

Lessee hereby grants to Entity a waiver of any right to subrogation which any insurer of said Lessee may acquire against the Entity by virtue of the payment of any loss under such insurance. Entity reserves the right to modify these requirements at any time, including limits, based on the nature of the risk, prior experience, insurer, coverage, or other special circumstances.

STAFF REPORT

Subject: Lease Agreement Renewal – Bus Parking Area at Bishop Airport

Initiated by: John Helm, Executive Director

BACKGROUND:

In 2011, ESTA entered into a ground lease agreement with Inyo County for a bus parking area at the Bishop Airport. The initial term of the agreement expired in June 2016 and, in accordance with Section 5 of the agreement, ESTA's continued tenancy has been on a month-to-month basis under the same terms and conditions. The monthly rent has not increased since 2011.

ANALYSIS/DISCUSSION:

In December of last year, the Inyo County Board of Supervisors ratified and approved a new ground lease agreement for space at the Bishop airport for ESTA to use for bus parking. The agreement is to replace the previous lease agreement, which had expired in 2016. The lease agreement includes a 10.4% increase in the monthly rent amount, from \$250.00 to \$276.00. All other material terms and conditions remain unchanged from the lease agreement first entered into in 2011. The proposed lease agreement is included on the following pages for the Board's information

FINANCIAL CONSIDERATIONS

Approval of the lease agreement for office space at the Bishop Airport will add \$182.00 in additional rent expense for office space this fiscal year and will add \$312.00 next fiscal year over the amount currently budgeted for FY 2017/18. Sufficient funds exist this fiscal year in either the budgeted contingency line item, or in fuel expense savings to pay for this cost increase.

RECOMMENDATION

The Board is requested to ratify and approve the lease agreement with Inyo County for office space at the Bishop Airport at a rent amount of \$1,380 per month for the first two years.

**COUNTY OF INYO – BISHOP AIRPORT
GROUND LEASE**

THIS LEASE AGREEMENT, made and entered into this _____ day of _____, by and between **Eastern Sierra Transit Authority, JPA**, hereinafter referred to as "Lessee," and the County of Inyo, a political subdivision of the State of California, hereinafter referred to as "County," whereby the parties hereto agree as follows:

WITNESSETH:

SECTION 1. ADMINISTRATION.

This Lease Agreement, hereinafter referred to as "Lease," shall be administered on behalf of the County by Shannon Williams, whose title is Deputy Public Works Director, hereinafter referred to as "County's Lease Administrator" and on behalf of Lessee by Lessee's Executive Director.

SECTION 2. LEASED PREMISES.

County hereby leases to Lessee the real property (hereinafter referred to as "Leased Premises") located at the Eastern Sierra Regional Airport (hereinafter referred to as "Airport"), County of Inyo, State of California, and described more particularly as:

SECTION 3. INITIAL TERM AND OPTIONS.

The initial term of the Lease will be for Two (2) years beginning December 1, 2017, and continuing through and including November 30, 2019. In addition to the initial term, there will be four (4) options to extend the Lease for additional one (1) year periods as follows:

- b. From December 1, 2020 through November 30, 2021.
- c. From December 1, 2021 through November 30, 2022.
- d. From December 1, 2022 through November 30, 2023.

The options to extend may be exercised in the manner and under the conditions hereinafter provided.

SECTION 4. EXERCISING OPTIONS TO EXTEND TERM.

The four (4) options to extend the term of the Lease for one (1) year periods identified in Section Three above, may be exercised by Lessee in the manner and on the terms and conditions below:

- a. Terms and Conditions.
- (1) Neither Lessee nor County has terminated this Lease, or any extensions thereof, for any reason.
 - (2) Lessee is not in default under any term or condition of the Lease, or any extension thereof.
 - (3) Lessee has exercised all previous options to extend.
- b. Manner In Which Option Can Be Exercised.
- (1) Lessee may exercise the option to extend no earlier than six (6) months before the expiration of the Lease term, or any extension thereof.
 - (2) Lessee must notify County in writing of the intent to exercise an option to extend at least thirty (30) days before the expiration of the Lease term, or an extension thereof.
 - (3) Except as provided for in Section Six relating to the rent, the Option to Extend shall be upon the same terms and conditions as stated in this Lease.

SECTION 5. HOLDING OVER.

If Lessee remains in possession of the Leased Premises with the consent of County, either expressed or implied, after the expiration of the Lease term, Lessee's tenancy shall be deemed to be a tenancy from month to month at the same rental rate applicable for the final month of the Lease term and otherwise shall be upon the same terms and conditions as are set forth in the Lease, provided that such tenancy shall be terminable and may be terminated upon at least thirty (30) days prior written notice of such termination served by either Lessee or County on the other party in the manner prescribed by law.

SECTION 6. LEASE PAYMENTS.

Lessee will pay to County an annual Lease payment of Three Thousand Three Hundred and Twelve Dollars (\$3,312.00). Lessee agrees to pay County said amount in installments of Two Hundred and Seventy Six Dollars (\$276.00) per month, beginning December 1, 2017, and payable on the first of each month thereafter during the term of this lease, or any extension thereof.

In the event the Lessee exercises its option to extend the Lease for any or all of the four one-year periods, the rent for such option period may increase as agreed upon between County and Lessee, but such increase shall not exceed two and a half percent (2.5%) of the rent for the previous lease period. In the event County and Lessee do not agree upon a rental amount, the rent shall increase by the aforementioned percentage.

Lease payments will be made without set off, and without regard to any claim of contribution, improvement, or counter claim.

If the Lease or any extension thereof is terminated before the expiration of the complete term, the annual lease payment due will be prorated for the actual term of the Lease, or any extension thereof.

SECTION 7. USE OF PREMISES.

The premises are leased to be used for parking fleet vehicles. Lessee agrees to restrict its use to such purposes, and not to use or permit the use of the premises for any other purpose without first obtaining the consent in writing of County.

SECTION 8. MASTER LEASE.

The property herein leased by County to Lessee is the subject of a master lease between County and the Department of Water and Power of the City of Los Angeles, Numbered BL 120, and by this reference incorporated into this Lease. This Lease by the County of Inyo is subject to all of the terms and conditions imposed upon County by said master lease, and Lessee hereunder hereby agrees to abide by all of the terms of said master lease.

SECTION 9. DELIVERY OF POSSESSION.

Delivery of possession shall be deemed completed as of the date of execution of this instrument. Lessee represents and warrants that Lessee has examined the Leased Premises.

SECTION 10. QUIET POSSESSION.

The County covenants and agrees that Lessee, upon payment of the annual Lease payment and compliance with all the terms and conditions of this Lease, may lawfully, peacefully, and quietly have, hold, use, occupy, and enjoy the leased premises and each part thereof during the term of this Lease and any extensions thereof without hindrance or interruption by County.

SECTION 11. PARKING.

Lessee shall have reasonable non-exclusive use of the Airport parking area in common with other tenants, occupants, and users of the Airport, together with the right of reasonable ingress and egress to the Airport parking area.

SECTION 12. HOURS OF USE.

SECTION 13. UTILITIES.

All charges for utilities used by Lessee in connection with the occupancy of the leased premises, (including deposits, connection fees or charges, meter rentals required by the supplier of any such utility service, and the cost of the facilities for connecting the leased premises to such utility services facilities) shall be paid by Lessee.

SECTION 14. MAINTENANCE.

Lessee agrees to maintain the Leased premises and any improvements thereon in good condition as reasonably required by the County throughout the term of the Lease.

SECTION 15. ENTRY FOR INSPECTION AND MAINTENANCE.

County reserves the right to enter the leased premises at reasonable times, with twenty-four (24) hour prior notification to the Lessee, to inspect, to perform required maintenance and repair, or to make additions or alterations to any part of the premises. County also reserves the

right to enter the leased premises at any time without prior notice to the Lessee in the event that an emergency reasonably requires the County to do so. Lessee agrees to permit County to do so. County may, during such time as is reasonably necessary to either respond to an emergency or to make such alterations, additions, or repairs, erect scaffolding, fences, and similar structures, post relevant notices, and place movable equipment without any obligation to reduce Lessee's rent for the demised premises during such period, and without incurring liability to Lessee for disturbance of quiet enjoyment of the premises, or loss of occupation thereof.

SECTION 16. ALTERATIONS AND IMPROVEMENTS.

Lessee shall make no alternations or improvements in or on the Leased Premises without the prior written consent of County. All alterations and improvements made by Lessee shall be removed from the Leased Premises upon the expiration or sooner termination of the Lease, unless otherwise agreed in writing by Lessee and County. Any damage occasioned by the installation or removal of Lessee's improvements shall be repaired by Lessee.

SECTION 17. SIGNS.

Lessee may erect signs necessary to identify Lessee's occupancy of the leased premises during the term hereunder. Lessee shall not place the proposed signs on the leased premises until County has reviewed the proposed design and given its consent to the proposed signs. County shall not unreasonably withhold said consent. Signs shall be removed by Lessee at the termination of this Lease.

SECTION 18. WASTE.

Lessee shall give prompt notice to County of any damages to the leased premises and shall not commit, or suffer to be committed, any waste or injury, or allow any public or private nuisance on the leased premises.

SECTION 19. WORKERS' COMPENSATION.

Lessee shall provide Statutory California Worker's Compensation coverage and Employer's Liability coverage for not less than \$1,000,000 per occurrence for all employees engaged in services or operations under this Agreement. The County of Inyo, its agents, officers and employees shall be named as additional insured or a waiver of subrogation shall be provided.

SECTION 20. INSURANCE.

Lessee shall procure and maintain for the duration of the contract insurance against claims for injuries to persons or damages to property which may arise from or in connection with the performance of the work hereunder and the results of that work by the Lessee, his agents, representatives or employees.

- A. Minimum Scope of Insurance. Coverage shall be at least as broad as:
1. Insurance Services Office Commercial General Liability coverage (occurrence Form CG 0001).
 2. Insurance Services Office Form Number CA 0001 covering Automobile Liability, code 1 (any auto).
 3. Workers' Compensation insurance as required by the State of California and Employer's Liability Insurance.

4. Errors and Omissions liability insurance appropriate to the Lessee's profession. Architects' and engineers' coverage is to be endorsed to include contractual liability.

B. Minimum Limits of Insurance. Lessee shall maintain limits no less than:

1. General Liability (including operations, products and completed operations as applicable): \$1,000,000.00 per occurrence for bodily injury, personal injury and property damage. If Commercial General Liability insurance or other form with a general aggregate limit is used, either the general aggregate limit shall apply separately to this project/location or the general aggregate limit shall be twice the required occurrence limit.
2. Automobile Liability: \$300,000.00 per accident for bodily injury and property damage.
3. Employer's Liability: \$500,000.00 per accident for bodily injury or disease.
4. Errors and Omissions Liability: \$ n/a per occurrence.

C. Deductibles and Self-insured Retentions. Any deductibles or self-insured retentions must be declared to and approved by the County. At the option of the County, either the insurer shall reduce or eliminate such deductibles or self-insured retentions as respects the County, its officers, officials, employees and volunteers; or the Lessee shall provide a financial guarantee satisfactory to the County guaranteeing payment of losses and related investigations, claims administration, and defense expenses.

D. Other Insurance Provisions. The commercial general liability and automobile liability policies are to contain, or be endorsed to contain, the following provisions:

1. The County, its officers, officials, employees, and volunteers are to be covered as insureds with respect to liability arising out of automobiles owned, leased, hired or borrowed by or on behalf of the Lessee; and with respect to liability arising out of work or operations performed by or on behalf of the Lessee including materials, parts or equipment furnished in connection with such work or operations. General liability coverage can be provided in the form of an endorsement to the Lessee's insurance, or as a separate owner's policy (CG 20 10 11 85).
2. For any claims related to this project, the Lessee's insurance coverage shall be primary insurance as respects the County, its officers, officials, employees, and volunteers. Any insurance or self-insurance maintained by the County, its officers, officials, employees, or volunteers shall be excess of the Lessee's insurance and shall not contribute with it.
3. Each insurance policy required by this clause shall be endorsed to state that coverage shall not be canceled by either party, except after thirty (30) days prior written notice by certified mail, return receipt requested, has been given to the County.
4. Coverage shall not extend to any indemnity coverage for the active negligence of the additional insured in any case where an agreement to indemnify the additional insured would be invalid under Subdivision (b) of Section 2782 of the Civil Code.

E. Acceptability of Insurers. Insurance is to be placed with insurers with a current A.M. Best's rating of no less than A:VII. The County at its option may waive this requirement.

F. Verification of Coverage. Lessee shall furnish the County with original certificates and amendatory endorsements effecting coverage required by this clause. The endorsements should be on forms provided by the County or on other than the County's forms, provided those endorsements or policies conform to the requirements. All certificates and endorsements are to be received and approved by the County before work commences. The County reserves the right to require complete, certified copies of all required insurance policies, including endorsements effecting the coverage required by the specifications at any time.

SECTION 21. HOLD HARMLESS.

Lessee will defend, indemnify, and hold the County free and harmless from any and all costs, judgments, liability, damages, or expense, including costs of suit and attorney's fees, arising out of or from any claimed injury or damage to persons or property sustained in, on, or about the leased premises, or arising out of Lessee's operation of the leased premises, or as a result of Lessee's acts or omissions or those of Lessee's agents, officers, or employees, in carrying out any operation upon the airport property, or arising out of any condition in, on, or above, the leased property. Lessee specifically waives any and all claims against the County for damages or compensation claimed or sustained by reason of any defect, deficiency, or impairment of any water system, electrical supply system, or electrical apparatus or wiring services on leased property.

SECTION 22. COMPLIANCE WITH LAW.

Lessee shall, at its sole cost, comply with all requirements of all County, State and Federal ordinances, laws, rules, and regulations now in force, or which may hereafter be in force, pertaining to the use of leased premises, and shall faithfully observe and obey all County, State and Federal ordinances, laws, rules, and regulations now in force, or which hereafter may be in force. If Lessee's failure to obey and comply with any of these rules, laws, ordinances, or regulations results in any assessment of fines, penalty, or damages against the County, Lessee will pay such civil penalty, fines or assessments and any costs the County incurs in defending or adjudicating such violations.

SECTION 23. TAXES, ASSESSMENTS, AND FEES.

In accordance with Revenue and Taxation Code section 107.6, Lessee is hereby advised that this lease may create a possessory interest subject to property taxation and that, if such an interest is created, Lessee is solely responsible for the payment of all property taxes levied on that interest. In addition, Lessee shall timely pay all taxes and assessments of whatever character that may be levied or charged upon the leasehold estate in the Leased Premises, or upon Lessee's operations thereon. Lessee shall also pay all license or permit fees that may be necessary, or which may be required by law, for the conduct of its operations at the Leased Premises.

SECTION 24. GRANT AGREEMENT ASSURANCES.

The following assurances required by the Federal Government as a condition of the Grant Agreement for the Bishop Airport are hereby incorporated into, and made a condition of, this Lease:

- a. The Lessee, for himself, his heirs, personal representatives, successors in interest, and assigns, as a part of the consideration hereof, does hereby covenant and agree as a covenant running with the land that in the event facilities are constructed, maintained, or

otherwise operated on the said property described in this Lease for a purpose for which a DOT program or activity is extended or for another purpose involving the provision of similar services or benefits, the Lessee shall maintain and operate such facilities and services in compliance with all requirements imposed pursuant to Title 49, Code of Federal Regulations, DOT, Subtitle A, Office of the Secretary, Part 21, Nondiscrimination in Federally-Assisted Programs of the Department of Transportation-Effectuation of Title VI of the Civil Rights Act of 1964, and as said Regulations may be amended.

b. The Lessee, for himself, his personal representatives, successors in interest, and assigns, as a part of the consideration hereof, does hereby covenant and agree as a covenant running with the land that:

(1) No person on the grounds of race, color, or national origin shall be excluded from participation in, denied the benefits of, or be otherwise subjected to discrimination in the use of said facilities;

(2) That in the construction of any improvements on, over, or under such land and the furnishing of services thereon, no person on the grounds of race, color, or national origin shall be excluded from participation in, denied the benefits of, or otherwise be subject to discrimination;

(3) That the Lessee, licensee, permittee, etc. shall use the premises in compliance with all other requirements imposed by or pursuant to Title 49, Code of Federal Regulations, Department of Transportation, Subtitle A, Office of the Secretary, Part 21, Nondiscrimination in Federally-Assisted Programs of the Department of Transportation-Effectuation of Title VI of the Civil Rights Acts of 1964, and as said Regulations may be amended.

c. In the event of a breach of any of the above nondiscrimination covenants, County shall have the right to terminate the Lease, and to re-enter and repossess said land and the facilities thereon, and hold the same as if said Lease had never been made or issued. This provision does not become effective until the procedures of 49 CFR Part 21 are followed and completed, including expiration of appeal rights.

d. Lessee shall furnish its accommodations and/or services on a fair, equal, and not unjustly discriminatory basis to all users thereof, and it shall charge fair, reasonable, and not unjustly discriminatory prices for each unit or services; provided that Lessee may be allowed to make reasonable and nondiscriminatory discounts, rebates, or other similar type of price reductions to volume purchasers.

e. Non-compliance with provisions of paragraph "d." above shall constitute a material breach hereof, and in the event of such non-compliance, the County shall have the right to terminate this Lease and the estate hereby created without liability therefore, or at the election of the County or the United States either or both said Governments shall have the right to judicially enforce those provisions.

f. Lessee agrees that it shall insert the above five provisions (paragraphs "a.", "b.", "c.", "d.", and "e.") in any lease, agreement, contract, or similar instrument, by which said Lessee grants a right or privilege to any person, firm, or corporation to render accommodations and/or services to the public on the premises herein leased.

g. Lessee assures that it will undertake an affirmative action program as required by 14 CFR Part 152, Subpart E, to insure that no person shall on the grounds of race, creed, color, national origin, or sex be excluded from participating in any employment activities covered in 14 CFR Part 152, Subpart E. Lessee assures that no person shall be excluded on these grounds from participating in or receiving the services or benefits of any program or activity covered by this subpart. Lessee assures that no person shall be excluded on these grounds from participating in or receiving the services or benefits of any program or activity covered by this subpart. Lessee assures that it will require that its covered sub-organizations provide assurances to Lessee that they similarly will undertake affirmative action programs and that they will require assurances from their sub-organizations, as required by 14 CFR 152, Subpart E, to the same effect.

h. County reserves the right to further develop or improve the landing area of the airport as it sees fit, regardless of the desires or view of Lessee, and without interference or hindrance.

i. County reserves the right to maintain and keep in repair all publicly owned facilities of the airport, together with the right to direct and control all activities of Lessee in this regard.

j. This Lease shall be subordinate to the provisions and requirements of any existing or future agreement between County and the United States relative to the development, operation, or maintenance of the airport.

k. There is hereby reserved to County, its successors and assigns, for the use and benefit of the public, a right of flight for the passage of aircraft in the airspace above the surface of the premises herein Leased. This public right of flight shall include the right to cause in said airspace any landing at, taking off from, or operation on the Airport.

l. Lessee agrees to comply with the notification and review requirements covered in Part 77 of the Federal Aviation Regulations in the event future construction of a building is planned for the Leased premises, or in the event of any planned modification or alteration of any present or future building or structure situated on the Leased premises.

m. Lessee, by accepting this Lease, expressly agrees for itself, its successors and assigns, that it will not erect or permit the erection of any structure or object, or permit the growth of any tree on the land leased hereunder, above the height set forth in Part 77 of Federal Aviation Regulations. In the event the aforesaid covenants are breached, County reserves the right to enter upon the land leased hereunder and to remove the offending structure or object or cut the offending tree, all of which shall be at the expense of Lessee.

n. Lessee, by accepting this Lease, agrees for itself, its successors and assigns, that it will not make use of the leased premises in any manner which might interfere with the landing and taking off of aircraft from the Airport, or otherwise constitute a hazard. In the event the aforesaid covenant is breached, County reserves the right to enter upon the premises hereby leased and cause the abatement of such interference at the expense of Lessee.

o. It is understood and agreed that nothing herein contained shall be construed to grant or authorize the granting of an exclusive right within the meaning of Section 308a of the Federal Aviation Act of 1958 (49 U.S.C. 1349a).

SECTION 25. MODIFICATION.

The terms and conditions of the Lease and any extension thereof may be modified, changed, or amended at any time only by the mutual written consent of Lessee and County.

SECTION 26. TERMINATION.

This Lease may be canceled and terminated by either party, without penalty, for any reason, at any time after execution of this Lease. Such cancellation and termination shall be effective on the sixtieth (60th) day after one party gives to the other written notice of termination. However, the giving of such notice shall not release either the County or the Lessee from full and faithful performance of all covenants of this Lease during the period between the giving of notice and the effective date of cancellation and termination.

SECTION 27. RETURN OF PROPERTY AT TERMINATION.

Lessee will return the property in good condition upon termination or expiration of the Lease.

SECTION 28. ASSIGNMENT AND SUBLEASE.

Lessee agrees not to assign this Lease or sublet the leased premises in part, or encumber its leasehold estate, or any interest therein, or permit the same to be occupied by another, either voluntarily or by operation of law, without first obtaining the written consent of County. Any such assignment or sublease shall not release Lessee from liability hereunder, and any assignee or sublessee shall expressly assume all Lessee's obligations hereunder. It is also agreed that the giving of a written consent required herein on any one or more occasions shall not thereafter operate as a waiver of the requirement for written consent on any one or more subsequent occasions.

SECTION 29. SUBORDINATION.

Lessee agrees that this Lease shall be subject and subordinate to any mortgage, trust deed, or like encumbrance heretofore or hereafter placed upon the leased premises by County, or its successors in interest, to secure the payment of monies loaned, interest thereon, and other obligations. Lessee agrees to execute and deliver, upon demand of County, any and all instruments desired by County subordinating in the manner requested by County this Lease to such mortgage, trust deed, or like encumbrance.

Notwithstanding such subordination, Lessee's right to quiet possession of the leased premises shall not be disturbed if Lessee is not in default and so long as Lessee shall pay the rent and observe and perform all of the provisions in this Lease, unless this Lease is otherwise terminated pursuant to its terms.

SECTION 30. MECHANICS LIEN.

Lessee agrees to keep the leased premises free from all mechanics' liens or other liens of like nature arising because of work done or materials furnished upon the leased premises at the instance of, or on behalf of Lessee, provided however that Lessee can contest such lien provided it post an adequate bond therefore.

SECTION 31. FORCE MAJEURE.

If either party hereto shall be delayed or prevented from their performance of any act required hereunder by acts of God, restrictive governmental laws or regulations, strikes, civil disorders, or other causes not involving the fault, and beyond the control, of the party obligated (financial inability excepted), performance of such act shall be waived for the period of the delay. However, nothing in this clause shall excuse the Lessee from the payment of any rental or other charge required of Lessee, except as may be expressly provided elsewhere in this Lease.

SECTION 32. WAIVER.

It is agreed that any waiver by Lessee of any breach of any one or more of the covenants, conditions, or terms of this Lease shall not be construed to be a waiver of any subsequent breach of the same or different provision of the Lease; nor shall any failure on the part of the Lessee to require exact, full, complete, and explicit compliance with any of the covenants or conditions of this Lease be construed as in any manner changing the terms hereof, nor shall the terms of this Lease be changed or altered in any way whatsoever other than by written amendment, signed by both parties.

SECTION 33. DEFAULT.

In the event that Lessee or County shall default in any term or condition of this Lease, and shall fail to cure such default within thirty (30) days following service upon the defaulting party of a written notice of such default specifying the default or defaults complained of, or if the default cannot reasonably be cured within thirty (30) days, the defaulting party fails to commence curing the default within thirty (30) days and thereafter to diligently and in good faith continue to cure the default, the complaining party may forthwith terminate this Lease by serving the defaulting party written notice of such termination.

SECTION 34. INUREMENT.

The Lease shall be binding upon and inure to the benefit of the parties hereto and their respective heirs, executors, administrators, legal representatives, successors, and assigns.

SECTION 35. SEVERABILITY.

If any provision of this Lease or the application thereof to any person or circumstances shall, to any extent, be invalid or unenforceable, the remainder of this Lease, or the application of such provisions to person or circumstances other than those as to which it is invalid or unenforceable, shall not be affected thereby, and each provision of this Lease shall be valid and be enforced to the fullest extent permitted by law.

SECTION 36. TIME IS OF ESSENCE.

Time is expressly declared to be of the essence in this Lease and in all of the covenants and conditions herein.

SECTION 37. ADDITIONAL TERMS AND CONDITIONS.

Additional terms and conditions of the Lease, if any, are set forth in the exhibits listed below, each of which is attached hereto and incorporated herein by this reference: Exhibit A, Exhibit B and Exhibit C.

SECTION 38. AMENDMENT.

The Lease may be amended only by a written document signed by all parties hereto.

SECTION 39. ENTIRE AGREEMENT.

The Lease contains the entire agreement between the parties hereto and supersedes all previous agreements between the parties with respect to the subject matter of the Lease.

SECTION 40. CONSTRUCTION OF AGREEMENT.

Both County and Lessee have had the opportunity to and have participated in the drafting and final preparation of this Lease agreement. For that reason, the Lease itself, or any ambiguity contain therein, shall not be construed against either the County or Lessee as the drafters of this document.

SECTION 41. NOTICE.

Any notice required by the Lease or applicable law to be given or served on Lessee or County may be given or served either by personal delivery to the County Lease Administrator or any one of the Lessees, by personal delivery to, or by depositing the notice in the United States Mail, postage prepaid, to the address of each party as given below:

EXHIBIT A

STAFF REPORT

Subject: Federal Fiscal Year 2018 Certifications and Assurances

Initiated by: John Helm, Executive Director

BACKGROUND:

The Eastern Sierra Transit Authority, which is considered a sub-recipient by the California Department of Transportation (Caltrans) for federal funding, submits required certifications and assurances to Caltrans on an annual basis in conjunction with receipt of Federal funding for its transportation programs.

ANALYSIS/DISCUSSION:

In order to receive Federal Transit Administration (FTA) assistance, recipients and sub-recipients must provide certain certifications and assurances required by Federal law or regulation. Submittal of these certifications and assurances is required on an annual basis.

The FTA Certifications and Assurances for 2018 have been consolidated into 21 groups. At a minimum, a Subrecipient must provide the assurances in Group 01 and, if the Subrecipient requests more than \$100,000, the Subrecipient must also provide the Lobbying certification in Group 02. Depending on the nature of the Subrecipient and its Project, the Subrecipient may need to provide some of the certifications and assurances in Groups 03 through 21. However, instead of selecting individual groups of certifications and assurances, the Subrecipient may make a single selection that will encompass all groups of certifications and assurances applicable to all FTA programs. The Preface states that applicants are responsible for compliance with the Certifications and Assurances selected on its behalf that apply to its project, itself, any subrecipient, or any other third party participant in its project. The type of project and subrecipient will determine which certifications and assurances apply. The Certifications and Assurances clearly state that any provision of an Assurance that does not apply will not be enforced. For this reason, and in accordance with the practice in previous years after

consultation with legal counsel, staff has determined to select the option agreeing to comply with all applicable provisions of Groups 01 – 21.

The FY 2018 Federal Certifications and Assurances have been forwarded to John Vallejo, Assistant County Counsel Inyo County, for his review. Affirmation of the Certifications and Assurances by ESTA's legal counsel is required as part of the submittal.

The FY 2018 Federal Certifications and Assurances are included on the following pages for the Board's information.

FINANCIAL CONSIDERATIONS

Approval and submittal of the FY2018 Certifications and Assurances is required in order to receive federal operating and capital assistance. ESTA's FY2017/18 budget includes \$694,723 in federal funding, which includes significant \$160,000 for the purchase of a bus. Staff estimates potentially \$600,000 in federal financial assistance in ESTA's FY2018/19 budget.

RECOMMENDATION

The Board is requested to authorize the Executive Director to sign the Federal Fiscal Year 2018 Certifications and Assurances binding ESTA's compliance with these certifications and assurances for Federal Transit Administration assistance programs.

FTA FISCAL YEAR 2018 CERTIFICATIONS AND ASSURANCES

PREFACE

Before the Federal Transit Administration (FTA or We) may award federal assistance for public transportation in the form of a federal grant, cooperative agreement, loan, line of credit, loan guarantee, master credit agreement, or State Infrastructure Bank (SIB) cooperative agreement, certain pre-award Certifications and Assurances are required, except as FTA determines otherwise in writing. The Applicant must authorize a representative (Authorized Representative) to select and sign its Certifications and Assurances and bind the Applicant's compliance. You, as your Applicant's Authorized Representative, must select and sign all Certifications and Assurances that your Applicant must provide to support each application it submits to FTA for federal assistance during federal fiscal year (FY) 2018.

We request that you read each Certification and Assurance and select those that will apply to any application for which your Applicant might seek FTA assistance during FY 2018. As provided by federal laws, regulations, and requirements, FTA may award federal assistance only if the Applicant's Authorized Representative selects adequate Certifications and Assurances.

We have consolidated our Certifications and Assurances into twenty-one (21) Categories.

We encourage you to make a single selection that will encompass all twenty-one (21) Categories of Certifications and Assurances that apply to our various programs. FTA, the Applicant, and the Applicant's Authorized Representative, understand and agree that not every provision of these twenty-one (21) Categories of Certifications and Assurances will apply to every Applicant or every Award or Project included in an Award, even if you make a single selection encompassing all twenty-one (21) Categories. Nor will every provision of each Certification or Assurance within a single Category apply if that provision does not apply to your Applicant or the Award it seeks. The type of Applicant and its application will determine which Certifications and Assurances apply.

In the alternative:

- All Applicants must select the Assurances in Category 01, "Required Certifications and Assurances for each Applicant.*
- If your Applicant requests or intends to request more than \$100,000 in federal assistance during FY2018, you must select the "Lobbying" Certification in Category 02, except if your Applicant is an Indian tribe, Indian organization, or an Indian tribal organization.*
- Depending on the nature of your Applicant and the Award it seeks, you may also need to select one or more Certifications and Assurances in Categories 03 through 21.*

Your Applicant is ultimately responsible for compliance with the Certifications and Assurances selected that apply to its Award, itself, any Subrecipient, or any other Third

FTA FISCAL YEAR 2018 CERTIFICATIONS AND ASSURANCES

Party Participant in its Award, except as FTA determines otherwise in writing. For this reason, we strongly encourage your Applicant to take appropriate measures, including, but not limited to, obtaining sufficient documentation from each Subrecipient and any other Third Party Participant as necessary to assure your Applicant's compliance with the applicable Certifications and Assurances selected on its behalf.

Except as FTA determines otherwise in writing, if your Applicant is a team, consortium, joint venture, or partnership, it understands and agrees that you must identify the activities that each member will perform and the extent to which each member will be responsible for compliance with the selected Certifications and Assurances. You also must identify each member's role in the Award, whether as a Recipient, Subrecipient, Third Party Contractor, or other Third Party Participant.

It is important that you and your Applicant also understand that these Certifications and Assurances are pre-award requirements, generally imposed by federal law or regulation, and do not include all federal requirements that may apply to it or its Award. We expect you to submit your Applicant's FY 2018 Certifications and Assurances and its applications for federal assistance in FTA's Transit Award Management System (TrAMS). You must be registered in TrAMS to submit your Applicant's FY 2018 Certifications and Assurances. TrAMS contains fields for selecting among the twenty-one (21) Categories of Certifications and Assurances and a designated field for selecting all twenty-one (21) Categories of Certifications and Assurances. If FTA agrees that you are unable to submit your Applicant's FY 2018 Certifications and Assurances electronically, you must submit the Signature Pages at the end of this document, as FTA directs, marked to show the Categories of Certifications and Assurances that you are submitting.

Be aware that these Certifications and Assurances have been prepared in light of:

- *The Fixing America's Surface Transportation (FAST) Act, Public Law No. 114-94, December 4, 2015, and other authorizing legislation to be enacted,*
- *The Moving Ahead for Progress in the 21st Century Act (MAP-21), Public Law No. 112-141, July 6, 2012, as amended by the Surface Transportation and Veterans Health Care Choice Improvement Act of 2015, Public Law No. 114-41, July 31, 2015,*
- *Previous enabling legislation that remains in effect, and*
- *Appropriations Acts or Continuing Resolutions funding the U.S. Department of Transportation during Fiscal Year 2018.*

FTA FISCAL YEAR 2018 CERTIFICATIONS AND ASSURANCES

CATEGORY 01. REQUIRED CERTIFICATIONS AND ASSURANCES FOR EACH APPLICANT.

Before FTA may provide federal assistance for your Applicant's Award, you must select the Certifications and Assurances in Category 01 in addition to any other applicable Certifications and Assurances, except as FTA determines otherwise in writing.

Any provision of the Certifications and Assurances in Category 01 that does not apply will not be enforced.

4. It understands that Presidential executive orders and federal guidance, including federal policies and program guidance, may be issued concerning matters affecting it or its Award.
5. It agrees that the most recent federal laws, regulations, requirements, and guidance will apply to its Award, except as FTA determines otherwise in writing.

STAFF REPORT

Subject: Agreement with Inyo County for the Provision of Legal Services

Initiated by: John Helm, Executive Director

BACKGROUND:

The Inyo County Counsel's Office has provided legal services for the Eastern Sierra Transit Authority under agreement since 2016. Prior to that time, ESTA's legal services were provided by the Mono County Counsel's Office.

ANALYSIS/DISCUSSION:

ESTA's legal services have been provided by the County Counsel's Office headed by Marshall Rudolph since ESTA's inception. When Mr. Rudolph accepted a position with Inyo County in 2015, an agreement was finalized to transfer the provision of ESTA's legal services from the Mono County Counsel's Office to Inyo County. The staff dedicated to the provision of ESTA's legal services have remained consistent through this change under the direction of Mr. Rudolph. Services provided by the County Counsel's Office have included:

- Participation in labor negotiations
- Consultation on personnel legal issues
- Consultation on regulatory compliance, including Brown Act compliance
- Contract review
- JPA formation and documentation

In 2010, an agreement was entered into between ESTA and the Mono County Counsel's Office for compensation for legal services provided. The compensation identified an amount of \$1,000 per month, or \$12,000 per year. Prior to 2010, legal services had been provided pro-bono, however, all parties agreed that it was appropriate that the County Counsel's Office be compensated for their services. The monthly fee for legal services has not been increased since that time.

Inyo County has requested that the fees for the provision of legal services be increased to compensate for inflationary cost increases. The request is that the monthly fee be increased from \$1,000 to \$1,125. This equals a 12.5% increase. Over the past eight years, since the commencement of the payment of fees for legal services to the County Counsel's Office, the California Consumer Price Index (CPI-U) has increased 17%.

A draft agreement documenting the proposed increase in compensation for the provision of legal services is included on the following pages for the Board's review. The agreement, if approved, would become effective April 1, 2018.

FINANCIAL CONSIDERATIONS

The fees included in the proposed agreement with Inyo County for the provision of legal services are \$375 higher than was included in the FY 2017/18 budget. Staff anticipates that this nominal expense increase this year can be absorbed by other operating cost savings.

RECOMMENDATION

The Board is requested to approve the agreement with Inyo County for the provision of legal services, which authorizes an increase in compensation for these services, and to authorize the Chair to sign the agreement on behalf of the Board.

AMENDMENT NUMBER 1 TO AGREEMENT BETWEEN
THE COUNTY OF INYO AND THE EASTERN SIERRA TRANSIT AUTHORITY
FOR THE PROVISION OF LEGAL SERVICES

WHEREAS, the County of Inyo (hereinafter referred to as "County") and the Eastern Sierra Transit Authority (hereinafter referred to as "ESTA"), entered into an Agreement for the Provision of Legal Services dated January 1, 2016, (the "Agreement"); and

WHEREAS, such Agreement provides that it may be modified, amended, changed, added to, or subtracted from, by the mutual consent of the parties thereto, if such amendment or change is in written form.

WHEREAS, the County recently modified the fee schedule for legal services provided by the County Counsel's Office and initiated a request to modify the Agreement accordingly.

NOW, THEREFORE, County and ESTA hereby agree amend such Agreement as follows:

The rate set forth in paragraph 2 of the Agreement shall be changed from "\$1,000 per month" to "\$1,125 per month."

This modification to the Agreement shall take effect beginning April 1, 2018.

All other terms and conditions of the Agreement shall remain unchanged.

IN WITNESS THEREOF, THE PARTIES HERETO HAVE SET THEIR HANDS AND SEALS EFFECTIVE THIS 1ST DAY OF APRIL, 2018.

STAFF REPORT

Subject: Board Member Stipend
Initiated by: John Helm, Executive Director

BACKGROUND:

ESTA has never had a policy to provide for the payment of a stipend to Board Members for participating in ESTA meetings.

ANALYSIS/DISCUSSION:

In the early years of ESTA's existence, the then Board members discussed whether or not to pay a stipend to Board members for participating. The Board at that time decided not to authorize a stipend. The decision was related in part to the financial status of the organization, which was not strong. The Authority was somewhat under-capitalized from formation and was suffering from declining revenues related to the recession in 2008.

In the intervening ten years, the Authority's financial situation has strengthened considerably. It has been recognized that Board member participation in ESTA activities involves significant time and expense due to the fact that meetings alternate between Inyo and Mono County, which means that all of the Directors incur travel time and expense. Board members are appointed to serve on ESTA's board by the governing board they serve on. Provision of a stipend for ESTA's Board members would offset to some degree the negative financial consequence to the Board member for being appointed to ESTA's Board. Going forward, staff believes it important that a Board member's service on ESTA's Board not be an undue financial burden and, accordingly, recommends that a stipend policy be instituted.

At this time, a draft policy is presented for the Board's consideration to authorize the payment of a stipend to Board members for participation in ESTA meetings. The draft is included on the following pages

FINANCIAL CONSIDERATIONS

Approval of the draft Board Member Stipend policy would result in additional expense. On an annual basis, if all eight Board members received a stipend for all twelve months, the total expense would amount

to \$9,600.00. It is anticipated that due to some degree of absence for Board members, and cancellation of some meetings, the actual annual expense would be less than this amount.

RECOMMENDATION

The Board is requested to approve a policy authorizing the payment of a stipend to ESTA's Board members, and if so approved, to indicate an effective date for the policy.

BOARD MEMBER STIPEND POLICY

PURPOSE:

This policy is to define the appropriate, equitable, and allowable compensation of members of the Governing Board of the Eastern Sierra Transit Authority (Board of Directors) for their activities in support of the Authority. The policy provides for the payment of a stipend for attendance at meetings by members of the Governing Board.

POLICY:

A. Stipend Amounts

- a. The stipend rate shall be as follows for the members as specified:
- b. Governing Board Members \$100.00 per meeting day

B. Eligible Meeting Day Defined

- a. For the purposes of paying the stipend, a “meeting day” is defined as a meeting or meetings of any duration on any calendar day when held at a scheduled regular or special meeting conducted by the Governing Board and shall include the following:
 1. A meeting of the Governing Board conforming to the Ralph M. Brown Act (Gove. Code §54950 et. seq.) shall constitute a meeting for which the stipend may be paid.
 2. A meeting of a committee consisting of less than a quorum of Governing Board Members appointed by the Governing Board shall constitute a meeting for which the stipend may be paid.
 3. A teleconference meeting, in conformance with the Ralph M. Brown Act (Gov. Code §54950 et. seq.), of the Governing Board, or a committee appointed by the Governing Board shall constitute a meeting for which the stipend may be paid.
 4. Attendance by a Governing Board member at another meeting, workshop or other gathering where the Governing Board member is authorized to represent the Authority at such meeting shall constitute a meeting for which the stipend may be paid so long as the Governing Board member does not receive a stipend or other payment for attendance at such meeting.
 5. A meeting of the Chair of the Governing Board and ESTA staff for purposes of organizing and preparation for a Governing Board meeting shall constitute a meeting for which the stipend may be paid.

C. Stipend Limits

Only one stipend shall be paid per meeting day regardless of the number of eligible meetings occurring on that day. A member of the Governing Board may not receive more than \$3,600 in stipend compensation in any one year.

STAFF REPORT

Subject: Financial Report – FY 2017/18

Initiated by: John Helm, Executive Director

The year-to-date roll-up, budget unit summary, and fund balance reports for the 2017/18 fiscal year through March 13, 2018 are included on the following pages. Maintenance and fuel expenses, reflect invoicing from the Town of Mammoth Lakes through December. Fuel expense per gallon is 31% below the budgeted price at this point in the year. Vehicle maintenance expense has risen this year as the fleet continues to age and the 395 Routes are operating more miles due to the expanded days of service. Compared to this time last year, vehicle maintenance expense is 10% higher. Other operating expenses are generally consistent with budget expectations.

The table below summarizes the year-end revenue and the expenses by major expense category.

Subject: 2016/17 Audited Financial Report Explanation

Initiated by: John Helm, Executive Director

BACKGROUND:

The FY 2016/17 Audited Financial Report was presented to the ESTA Board at the January meeting. Ms. Shepherd is planning to attend the March 16, 2018 meeting to further explain the report and to answer any questions from the Board members.

STAFF REPORT

Subject: Preliminary FY2018/19 Budget

Initiated by: John Helm, Executive Director

BACKGROUND:

ESTA’s Joint Powers Agreement (JPA) states that on or before April 1 of each year, the Authority shall cause to be prepared and submitted to the Board of Directors a proposed budget for the upcoming fiscal year.

ANALYSIS/DISCUSSION:

A preliminary budget for FY2018/19 is being presented to the Board at this time in order to provide opening information and is intended to provide a general financial overview of the upcoming year and to solicit direction, if desired, from the Board prior to finalization of the 18/19 budget.

The preliminary FY2018/19 budget anticipates service levels that are generally consistent with 2017/18. Federal funding for the 5311(f) program, which funds the Intercity routes to Reno and Lancaster, is projected to be flat with FY17/18 revenue. LCTOP revenue is projected to increase by \$40,000. Revenue from the new State of Good Repair Program is expected to add \$71,626 over the FY 17/18 budget, which will be used to offset the loss of federal Section 5316 funds which have funded 50% of the net operating expense of the Mammoth Express and Lone Pine Express routes. The projected year-to-year changes in state and federal revenue is detailed in the table below.

State & Federal Grant Revenue	17-18 budget	18-19 estimate	Var.	Comment
LTF	1,240,647	1,272,785	32,138	Estimates from both LTC's reflect modest reductions
STA	321,085	377,933	56,848	SCO estimate; Jan of each year; increase = SB-1
5311 apportionment	178,461	180,716	2,255	Modest increase forecast
5311(f)	226,560	225,000	-1,560	Grant amount approved for FY 17/18
5316 (LPX)	62,800	0	-62,800	Program discontinued under new federal authorization
5316 (MMX)	52,884	0	-52,884	Program discontinued under new federal authorization
LCTOP	26,189	66,147	39,958	Expansion of funding this year
SGR		71,626	71626	New program through SB-1
	2,108,626	2,194,207	85,581	

The balance of the revenue picture for FY2018/19 is detailed below. Overall, the preliminary estimate of total operating revenue for the coming year is projected to increase by 3.3% (\$160,890).

	17-18 budget	18-19 estimate	Var.	
Other Agencies				
TOML	853,235	862,000	8,765	1% service increase forecast
MMSA	1,050,000	1,050,000	0	consistent with FY 17/18
KRT	24,000	24,000	0	
	1,927,235	1,936,000	8,765	0.3%
Fares				
Reds Meadow	425,000	490,000	65,000	estimate of 70,000 pax; \$1 increase in ticket price
395 Rts	254,000	255,000	1,000	consistent with expanded service in 17/18
All Other	209,456	210,000	544	nominal increase in ridership
	888,456	955,000	66,544	1.9%
State/Federal revenue	2,108,626	2,194,207	85,581	4.8%
TOTAL OPERATING REVENUE	4,924,317	5,085,207	160,890	3.3%

The revenues detailed in the tables above assume a level of service generally consistent with the service level planned for in the 2017/18 budget. The Bishop Creek Recreation Area Shuttle, the continuation of the additional mid-day Lone Pine Express run, and June Lake Summer Shuttle service are included in the calculations at this time. Based on this service level, preliminary estimates of expenditures project that revenues will be sufficient to fund the service. This preliminary analysis anticipates continuation of comparatively low fuel prices and continued increases in vehicle maintenance costs. A summary of preliminary expenses for FY2018/19 by major expense category is detailed in the table below. The large percentage increase in the "Other" line item is attributable to funds collected from Reds Meadow Adult tickets to be set aside for the funding of maintenance of the rehabilitated Reds Meadow Road.

Operating Expense Categories	16-17 actual	17-18 budget	18-19 estimate
Salaries & Benefits	2,320,577	2,713,379	2,830,000
Insurance	319,541	349,620	375,000
Maintenance	481,750	559,880	600,000
Fuel	367,988	592,515	600,000
Facilities	230,640	236,550	250,000
Services	162,920	231,260	230,000
Other	124,062	100,550	200,000
	4,007,478	4,783,754	5,085,000

FINANCIAL CONSIDERATIONS

A budget for the 2018/19 fiscal year is required in order to operate ESTA's services. The preliminary budget presented at this time is an estimate of the revenues and expenditures now known or anticipated. Further financial information will be developed in the next few months prior to the anticipated final budget to be presented for the Board's consideration in June of 2018

RECOMMENDATION

This preliminary budget is presented for the Board's information, in compliance with the ESTA Joint Powers Agreement, and to receive any desired input from the Board as the FY 18/19 budget is finalized.

STAFF REPORT

Subject: Six-Month Review of ESTA's Transit Services

Initiated by: John Helm, Executive Director

BACKGROUND:

ESTA's Service Change Policy includes a plan for bi-annual service planning sessions to allow the Board an opportunity to review and approve the services proposed to be operated for the coming six months.

ANALYSIS/DISCUSSION:

The following pages detail the specific routes that are planned to be operated by Eastern Sierra Transit for what is considered the summer season, from April through September of 2018. The pages detail descriptions of the routes as well as the operating statistics (hours and miles) for the routes including a break-down as to how the services are applied to the Authority's jurisdictions. The information also includes a synopsis of the revenues provided by each of the member entities to fund the services.

The proposed services for the coming six months include the following:

- Summer seasonal service to Bishop Creek Recreation Area is proposed to be continued
- The Limited route (service to Old Mammoth Road area) proposed to operate through June. It is anticipated that a new bus turn-around area will be completed by then, which will eliminate the need for this route.
- Consistent with last spring, the Red Line will transition to Trolley service in late April.
- June Lake Summer Shuttle is tentatively anticipated to be continued. This is dependent upon local funding.
